

Linda Wood Edwards, C.A.E., B.Admin

I have worked for and with a wide variety of not-for-profit organizations since 1989, focusing on industry and professional associations. In 1995 I received a Certified Association Executive (C.A.E.) designation from the Canadian Society of Association Executives.

Through my company, LUE-42 Enterprises, I assist not-for-profit, public, and private sector clients with a variety of governance, board, planning, and management challenges. In 2007-2008 I worked with ASET to conduct a chapter and governance structure review and have also written several freelance articles for *Technology Alberta* magazine. I have been a trainer, facilitator, and speaker on various topics related to governance and am the author of *Exceptional Board Members, Exceptional Boards* and *Understanding Bylaws: A Guide for Directors of Not-for-Profit Organizations* (CSAE 2008, 2004).

When I'm not focused on association governance, I am a funeral celebrant, a playwright, and an avid fan of the Canadian Football League.
