# Interprovincial Transfer Application Fee Form

## **\*FOR TRANSFER IN APPLICANTS ONLY\***

### **Transferring From Other Provinces**

As other provincial associations in Canada grant similar designations to Alberta, it is important to note that a designation only has effect within the province in which it was issued. Since designations from various associations currently represent different scopes of practice, individuals who possess designations from another province must apply for a designation transfer.

1. Applicants transferring from another Canadian province must complete the Interprovincial Transfer Form (Sections A to F). Upon submitting the Transfer Form to ASET, applicants must submit the Transfer Fee and Exam Payment Form (next page), and pay the current transfer fee (\$100 + GST) and exam fee (\$240 + GST).
2. Only regulated membership categories are transferable between provinces. Applicants will be awarded the corresponding title in use in Alberta.
3. Transfer applicants must be members in good standing in their province of origin before a transfer of membership will be accepted.
4. Transfer applicants must successfully complete the ASET Professional Practice Exam (PPE) as a condition of transfer regardless of whether the member has completed a PPE in another province.\* Transfer applicants who have completed the National Professional Practice Exam (NPPE) in Alberta are exempt from this requirement (ASET will confirm with APEGA that the applicant has passed the NPPE).

\*This policy is designed to ensure transfer applicants have an understanding of legislation and regulations in Alberta, including their obligations under the *Engineering and Geoscience Professions Act*. Section 705 3(f) under Chapter 7 of the *Canadian Free Trade Agreement (CFTA)* permits provincial regulators to ensure certified professionals transferring in from another province or territory have knowledge of the measures maintained by the receiving province applicable to the practice of the occupation in that province. ASET requires certified members transferring to Alberta to complete the ASET PPE in order to demonstrate this knowledge.

#### Transfer Application Fee Payment:

The Transfer Application Fee.....	\$100 + GST = \$105.00
ASET Professional Practice Exam .....	\$240 + GST = \$252.00
